Howdy Angelina County Ags!

As the A&M campus has filled back up with students and the 2018 football season is upon us, your Angelina County A&M Club is ready for the 2018-19 season as well. With events scheduled throughout the year including game-watching parties, after-work socials, and of course Aggie Muster, now is a great time to join. Not only is joining the Angelina County A&M Club a great way to meet and stay connected with other Angelina County Aggies, your membership helps support future Aggies from our county.

Membership dues go toward scholarships awarded to high school seniors each year destined to start their college education at Texas A&M. Each year, our club awards 12 scholarships (in honor of the 12th Man) to students throughout the Angelina County schools.

If you are an existing member, we look forward to seeing you out at our events. If this is your first year to join, welcome! Please consider one of the many levels of membership listed below. If you have any questions, please contact us at AngelinaCountyAgs@gmail.com. Thank you for supporting the Aggie youth of Angelina County!

Gig 'em!
